

## Platinum Card Membership

Platinum golf members can purchase units on their membership card. One unit is one round of golf. There is an annual fee of £25 per member plus a minimum of 10 units per annum. There is a limit of 100 Platinum Memberships available.

<b>10 units = £180</b>	<b>15 units = £255</b>
<b>20 units = £320</b>	<b>25 units = £375</b>

Additional units can be purchased at any time during the year in blocks of 10, 15, 20 and 25 units. A member can upgrade to Full Membership at any time by paying the difference between the Platinum and the Full Membership applicable.

Units can be held indefinitely, there is no time limit on their use.

Units can be used for members and guests (subject to restrictions, see below) at the same rate.

### A minimum of 10 units must be purchased per annum to continue membership of the scheme.

The prices also include each member's English or Ladies' Golf Union Fees and Suffolk Golf Union Fees.

Members who live at the same private address, up to a maximum of four, may have more than one card on a single membership, although each card must pay an annual fee of £25. They can therefore benefit from buying more units together at a cheaper rate.

### Using Units for Golf

The cards must be swiped in reception before each round and the units deducted. Any member not reporting to reception and swiping their card prior to playing may have their membership suspended with immediate effect.

### Handicap

All Platinum Members are entitled to maintain their handicap at the Club. Details of how to obtain or transfer a handicap will be sent out in your membership pack. If you have never had a handicap then you must contact the Professional for an assessment to obtain a Certificate of Competence before playing the course.

### Competitions

There is a small competition fee payable for most competitions. Platinum Members entering any competitions must swipe their card for each round. In the event of a Competition where there are multiple rounds to play the Member must ensure they have sufficient credits to complete the competition. This applies to Club Championships and all Club Matches. Platinum Members playing for the Club away do not need to swipe their cards but pay the same fee as other Members.
