About the Seckford Golf Academy

Run by Simon Jay, PGA Professional, and his team, Seckford Golf Academy is aimed at providing a range of golfing opportunities for players of all ages and abilities. Simon has been at Seckford Golf Club for 14 years and is equally known for his outgoing and friendly approach as his playing and teaching skills. Simon believes that fun should figure in all sessions and that by making the 'golf experience' enjoyable it helps to introduce the skills and techniques that ultimately improves the standard of all players whatever their age.

The Academy provides a programme of course for groups and individuals, who are subsidised by the Club, and includes a Playing Club where players can use the Course under the guidance of Matt, Simon's PGA Assistant, to learn rules, etiquette and gradually be introduced to the playing experience which we all love.

Look at the programme available or contact Simon directly on 01394 388000 to discuss how you can become involved in the Academy.
