# About Seckford Golf Club

Seckford Golf Club is set in beautiful Suffolk countryside and is the perfect challenge for any golfer. Whether a complete novice or experienced player, our Golf Club has something to offer everyone. The Club House has a relaxed and informal atmosphere and is open 7 days a week throughout the year.

## Society Golf at Seckford

If you are thinking about organising a Society day then our course could not be better suited. We have a full 18 hole Golf Course, driving range/practice ground, fully licensed bar and The Terrace Restaurant.

Due to our course, we are confident in saying that all types of golfer will enjoy their day with us. For the more experienced golfer, the course provides an interesting challenge with accuracy and a good short game being paramount. Yet the novice can feel comfortable whilst playing as the course is not long and daunting. If you happen to have people within your group that are very new to golf or have never played then we suggest they enjoy a clinic on the range with our qualified PGA professional, Simon Jay.

We have 4 buggies on site that are available for hire all year round (depending on conditions). We can also hire out trolleys, shoes and half sets of clubs for those who require them. Should your group need any Longest Drive or Nearest the Pin Markers then we will be happy to provide them for you (please request in advance).

On completion of play, your group can enjoy drinks at the bar before sitting down to eat in The Terrace Restaurant, where all the food is prepared fresh using locally sourced ingredients. We are able to cater for any requirements from Coffee and Bacon Rolls on arrival to a full 3 Course Dinner at very competitive prices.

Finally, should you wish to purchase prizes for your day then we have a well-stocked shop and we would be more than happy to assist you with your selections.
